

Taking the July 2024 Bar Exam on a Laptop

Almost all applicants find that it is to their advantage to use a laptop to type their answers to the MPT and Georgia essay sections of the Bar Exam. **The window to register a laptop for the July 2024 Bar Exam will open in early June 2024. We will post the exact date [here](#) and on the “Latest News” section of our website.** Applicants who have registered to take the Exam by June 1, 2024, will receive an email from noreply@ExamSoft.com on the first day of the laptop registration period with laptop registration instructions.
